SPOTLIGHT ON KEY PET FOOD PANTRIES

100% of the pet food we distribute is generously donated by individuals, businesses, and pet food brands. In 2024, we redirected one million pounds of quality pet food, often near best by dates or with blemished packaging, preventing waste, and helping feed pets in need. **See where your donations have made an impact:**

Our newest partnership is dedicated to **supporting the essential workforce** across Breckenridge, Dillon, Frisco and surrounding areas, where resources have been limited and access to support can be challenging.

WE DON'T WASTE IN DENVER:

Located in the Swansea neighborhood, this site has become our largest pantry in the Denver metro area. **In the past 12 months we served 1,284 families**, in an effort to meet the growing demand for support in urban communities.

TOWAOC: Ute Mountain Reservation

Located on Ute Mountain Tribal Lands in Colorado's Four Corners region, this pantry, at **386 miles from the main Englewood warehouse**, is one of our farthest locations, highlighting our commitment to reach even the most remote areas of the state.

Kris & Bella

"Being in a situation where I could use the support Colorado Pet Pantry provides was humbling. However, your staff was nonjudgmental, kind and thorough. It made the experience peaceful. Saving even \$50 a month helps.

The thoughtfulness of your organization is exceptional. Thank you!"
